

THE CLAY TARGET SHOOTING ASSOCIATION OF SOUTH AFRICA PRESENTS

THE 2015 SAFARI OUTDOOR CHAIRMAN'S CUP

21 & 22
NOV
2015

HOSTED BY
**AL THANDIWE SHOOTING CLUB
LIMPOPO**

PRESENTED BY
CTSASA

A Warm Welcome

The Chairman's Cup is a product of the structure of Clay Target Shooting in South Africa.

This event exists only because we, the CTSASA, have a structure of club to province to national association. It is often asked what does our association do for us? The answer is what do we do for our association?

Of course whatever we do for our

association can only be done through a structured vehicle - club to province to national association.

It is of the utmost importance that the structure mentioned above is maintained and strengthened, for without clubs that form the foundation of our sport we will have no sport or association.

Clubs are the feeders to the provincial team that ultimately can perform at an event such as the Chairman's Cup. The Chairman's Cup has been the ultimate event for 33 years at which our shooters can compete as a team for their provinces.

It is therefore of the utmost importance that we, the privileged team members of each province, realise that we do not only represent our province but also our clubs and the sport. Without an event like the Chairman's Cup we, the shooter, will have nothing other than attaining our national colours to strive for. At the last Chairman's Cup, which was shot in Kimberley, some of the provinces were way under strength due to our best shooters choosing not to compete for a plethora of personal reasons.

Whilst I understand that from time to time it becomes impossible to attend all events all of the time, it is important to support the Chairman's Cup as this is the one event that creates the incentive for new shooters to enter the sport and old shooters to remain active in the sport. Making the provincial team will surely keep the club member active and ensure clubs remain strong.

This year we thank Limpopo and Al Thandiwe Shooting Club for hosting the event and thank them and their committee for all the hard work and preparation that has enabled us to enjoy the event once again. Without dedicated club members and administrators the event will cease to exist.

We thank all the sponsors for their contributions and we also thank all the members' clubs and provinces for their continued membership and support of the CTSASA as it is this support that enables the CTSASA to fund the costs of running this event.

I wish everyone attending the 2015 Chairman's Cup a successful event and may you all enjoy the hospitality of the CTSASA, Al Thandiwe Shooting Club and the Limpopo Province.

Rob Thompson
CTSASA President

Dear fellow shooters, officials and partners

Welcome to our beautiful Province. Although we are the smallest CTSASA province, we are undoubtedly one of the proudest. This will be the first time that we hold the Chairman's Cup at Al Thandiwe Shooting Club, and we hope you enjoy the bushveld atmosphere and warm hospitality of the North. We anticipate a very successful event and we hope you enjoy your stay with us.

The Chairman's Cup is the premier event on our shooting Calendar and it brings all the teams together for one excitement packed weekend every year. In particular, I extend a warm welcome to our neighbours from north of the Limpopo. I hope you enjoy the proceedings and are successful during your visit here.

Special mention must be made of the owners of Al Thandiwe for the upgrades which they have put in place for us the shooters to enjoy. The facilities here have been upgraded over many months in anticipation of having you here with us. I'm sure you will agree on the fantastic job that has been done to create a home for Clay Target Shooting in Limpopo and we hope you enjoy the new facilities.

We also welcome our sponsors whose logos you can see on the brochure for their great contribution to our sport. We thank you for your sponsorships and urge our shooters to support the sponsors generously.

The amount of planning and effort that goes into staging this event is immense. Please take a moment to consider the many hours put in by our committee and staff, who play an integral role in the staging this event. We rely heavily on your enthusiasm, commitment and dedication. On behalf of all involved in the Chairman's Cup, a big "Thank You" to each of you for selflessly contributing your time and expertise.

We congratulate our top achievers on their awards, as well each competitor who has qualified for this great event. Let us participate in a spirit of fairness, sportsmanship and camaraderie.

May the best team win!

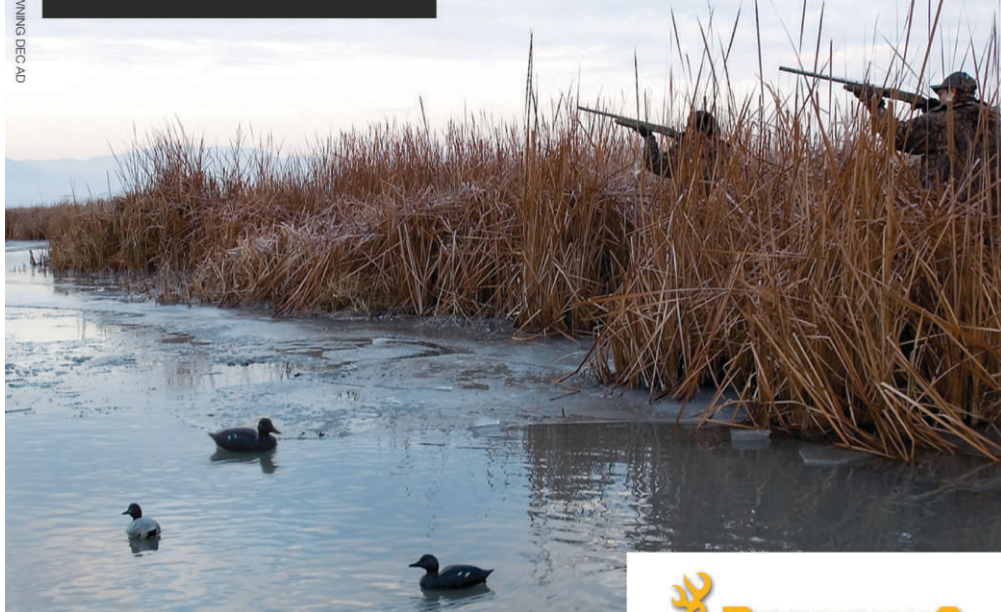

Peter Nieuwoudt
Chairman:
Limpopo Clay Target Shooting Association

COMPETITION REGULATIONS

1. Shooting will start promptly at the specified time. The first squad must be on the ranges and **ready to shoot** 15 minutes before the allotted time. Succeeding squads to be on the range 10 minutes before preceding squads have completed their round. **Any shooter absent when his/her squad is due to shoot will forfeit the complete round of targets.** An appeal to the appropriate jury may be made to consider the reason for the absence. An appeal fee of R250 must be paid with the appeal and the appeal must be in writing.

2. **Scoring :**
Trench & Skeet : two shooters from the previous squad to score for the next. Visible scoreboard on Trench & Skeet to be used.
Trap : one shooter from previous squad to score for the next.
Sporting : The umpire may score the round or may nominate a person from within the squad to score.

After you have completed your round and it is your turn to score, you are not permitted to leave the range. A penalty loss of one target will apply if you leave the range for any reason before you have completed your scoring duty.

All shooters must sign for their scores before leaving the range.

All shooters in all disciplines must check their score before leaving the range and at appropriate times during the round. Any dispute regarding scores cannot be reported to the jury unless a protest is made according to the discipline rules and before leaving the range.

3. Umpires will be provided where possible on all ranges. **Competitors will be required to score** and will score in rotation, i.e. the first 2 shooters on a squad will score first, followed by shooters 3 and 4, followed by shooters 5 and 6 or 5 and 1 where applicable. The exception is the Sporting discipline where the umpire may nominate his scorers from within the squad. Scorers for the first squad of the day will be taken from the last squads to shoot, e.g. squads 3 and 4 in Skeet, Squad 5 in ATA. **Refusing to score is not permitted.** Any shooter refusing to score will be penalized with the loss of 3 targets per refusal.
4. The first Sporting Squads should also report to the ranges 15 minutes before the allotted time. Sporting shooters to proceed immediately to the next range as per the shooting schedule.

COMPETITION REGULATIONS : Continued from previous page

5. The 10 second 'ready' rule in FITASC Universal Trench and the 20 second rule in FITASC Sporting will be strictly applied.
6. Rules: CTSASA Bye-Laws, ATA, FITASC, NSSA Skeet. At all times, where there is a CTSASA over-riding bye-law, this will take precedence over the individual discipline rules.
- 7. Shooters may not change squads and squads may not alter the squad shooting sequence. Changes can only be made by the Shoot Organiser (Sarah Kalell).**
8. All score pads must be signed by each individual in the squad, the scorers and the umpire. Only justifiable queries to be referred to the Jury via the Shoot Organiser (Sarah Kalell). Pads to be returned to the office by the scorer at the end of the round.
9. Equipment – traps, scramblers etc. must not be tampered with. In the event of a breakdown contact the shoot convenor.
- 10. Reloaded/Self-Loaded Ammunition**
Any person shooting reloaded/self-loaded ammunition must be aware that the Jury at any event is entitled to obtain samples of reloaded ammunition for testing.
11. Please assist the organisers by adhering to these rules and so facilitate the smooth running of this event.
12. Where a dispute occurs and the rules are not explicit enough to provide for a clear cut decision, the final decision rests with the individual discipline jury as elected for this event.
13. Dress code : the dress code as per clause 8.5 of the CTSASA Competition Regulations will apply. Eye and ear protection is mandatory. No open shoes or sandals. No camouflage, no shorts shorter than 15cm above the centre of the knee, no ripped or torn clothing - "Smart/Casual" is the standard.

Thank you for your co-operation!
