Electrifying Vibe....

The Kimberley Clay Target Club is preparing an electrifying vibe for all Sporting shooters with a menu of English Sporting targets to delight, tease and test all skill levels.

Delicious menu of creative targets....

With 10 stands and 20 machines, the walk-through system will keep you on your toes with pairs of rabbits at your feet, the famous 'hen and chick' flying from the fabulous 18m tower, an upside down Battue with a midi looping 'teal' and much more besides.

Pathways lined with banners will keep you in the mood of this festival of Sporting Clays and shooting straight! 200 targets of English Sporting and 100 targets of FITASC TRAP1, shot over our brand new TRAP1 range.

Our Kimberley Clay Target Club members are ready to welcome you and treat you to their famous hospitality!
