Time allowed : on stand	15 seconds between shots

FITASC SPORTING BASIC RULE SUMMARY

As at July 2021

LOST TARGETS, NO BIRDS AND MALFUNCTIONS

Malfunctions allowed per range before "LOST" target	One - whether equipment or ammunition. Only one malfunction allowed.
Malfunction : umpire to check	Lost target if shooter opens shotgun before Umpire checks shotgun
In event of 'double discharge' of ammunition	No bird. It is deemed a "Gun malfunction" and no result is scored. Only one malfunction is permissible per round of 25 targets - "zero" thereafter.

"No bird" rules	A target may not be fired upon after the umpire has called it a "no bird".
	A target that breaks during launch
	A target that is of significant different colour
	A double discharge is deemed a no bird - single/double targets to be re-shot
	Malfunction with the first shot is deemed a no bird - single/double targets to be re-shot
	Malfunction with the second shot is deemed a no bird:
	on a single target - repeat target only second barrel to count
	on report double targets - repeat double, first target scored and second barrel to count
	on simultaneous and raffale doubles - repeat double both barrels to count

"LOST" target rules	When the shooter fails to fire at it/them without any valid reason
	When no visible pieces come off the target
	When the targets are only "dusted"
	During a malfunction and the shooter opens or touches the safety catch
	On a second malfunction during the same round of 25 targets
