Annual Gold Medal Awards

Updated June 2019

Regulations Governing the Award

1. The award is presented on a yearly basis (January to November) for each discipline for which National Protea Colours are awarded.
2. In order to qualify for consideration for the award, a CTSASA member must participate in the South African National Championships of the relevant discipline.
3. In addition to the SA Championship score being used, the CTSASA member must participate and complete at least a further two provincial championships. The best two provincial championship scores in the relevant discipline to be used. Part scores will not be accepted.
 - a. From 2018, in addition, if a provincial or national championship should clash with an international event where a National Team member is participating, the team member may utilise the first 100 targets shot in that event. The definition of a 'clash' shall be the same as per the National Trial Regulations (7 days before the event and 7 days after the event). The 'clash' is subject to approval by the Executive Committee at the time of setting the competition calendar.
4. In the event of a tie, a shoot-off must take place at the earliest opportunity. This may take place either at the last provincial event to count, or it could take place at the Chairman's Cup or at a venue agreed to by the parties concerned.
5. The yearly discipline award is presented to the top shooter in each discipline at the Chairman's Cup in the year of the award.
6. The period which is used to calculate the award is a calendar year, provided that the last event is held no less than three weeks from the date of the Chairman's Cup.
7. This award may only be made to fully paid-up CTSASA members in good standing.
8. The award can only be made provided that the top shooter has achieved the local National Trial Minimum Qualifying Score as detailed in Schedule A of the National Trial Regulations. This is calculated as an average of the scores from the SA Championships and the best two provincial championships.
9. The Executive Officer shall maintain the records in order to calculate the results.
10. From 2019, the Olympic disciplines and English Sporting will revert to the use of the scores shot instead of a points system.
