40th Chairman's Cup

Celebratory Shooting Greetings from the CTSASA President

Dear Fellow Shooters, Families and Friends

Another year has gone by, with another year of success, and now another Chairmans Cup!

A positive attitude, superb mental strength, combined with excellent shooting across all of our disciplines this year, our National Proteas and competitors have proven their ability to win international medals, which is a trend that has been maintained for the past few years.

We are intensely proud to congratulate our newly crowned World Champion in FITASC Universal Trench, Luca Peacock, together with our Universal Trench Man Team of Luca Peacock, Waldo Freese and Joubert Grobbelaar who are also now World Universal Trench Championship Team Gold Medallists!

I'm honestly also so proud to see such commitment and determination! We have also witnessed other top international results and a few amazing 100 straights. This is **excellent shooting indeed** and I'm sure that everyone in the CTSASA is as intensely proud of our high achievers as I am.

CTSASA

Our campaign of promoting Clay Target Shooting is still ongoing. We have recently completed a **superb Clay Target Shooting promotional video** with incredible footage and wonderful interviews with many members. **Thank you to André Kunz for the superbly professional narration!** The video will be presented to institutions with the aim of exposing clay shooting to youngsters and is available to everyone on YouTube or via our CTSASA office.

This campaign, combined with our **qualified CTSASA Coaches in all provinces**, can only lead to success. We

encourage all our CTSASA clubs to ensure new members will be given the necessary attention and information and to provide newcomers with a great shooting experience.

As you all know and appreciate, **it is very important to have the correct shooting position and gun fit**, and to select the correct discipline of choice from the beginning, namely Trap and/or Skeet, as a solid foundation to any Clay Target Shooting career.

I strongly believe this campaign will be the future of clay target shooting.

SASSCo/ISSF

During the past month I was elected Chairman of the Olympic Sub-Committee (OSC) at the South African Shooting Sports Confederation (SASSCo), which is our umbrella shooting body affiliated to SASCOC.

Our Northern Cape CTSA Executive Committee member, Theo Botoulas, will be the CTSASA OSC Delegate. **The aim of the OSC is to have in place a 4 to 5 year project for all Olympic disciplines.** The project will be presented to both SASSCo and SASCOC. We will also focus on raising financial support and include all interested athletes. We will also bring to South Africa qualified international coaches and send athletes to World Cups and World Championships for experience and exposure. **The events we are focusing on are the Paralympics, Commonwealth Games, University Games and the Olympic Games, with the ultimate goal to win medals.** With the assistance of SASSCo we will be involving as much as possible the ISSF (International Sport Shooting Federation – the international Olympic shooting organisation).

Celebratory Shooting Greetings from the CTSASA President

continued from previous page

FITASC

We have requested that FITASC grant the CTSASA a **FITASC Grand Prix in Universal Trench**. The sentiment about South Africa is very positive and we will soon formally apply for the event which could quite possibly take place in 2025. **This will boost international shooting and give more exposure to Clay Target Shooting in South Africa.**

ICTSF World DTL Championship 2023

I would like to congratulate our Western Cape premier CTSASA registered club, Valley Clay Target Club, for a superbly managed and organised ICTSF World DTL Championship and CTSASA South African Grand in March this year.

As a highly appreciated and long-standing CTSASA registered club, Valley Clay Target Club has successfully hosted the most international Clay Target Shooting championships in South Africa, including the ICTSF World DTL Championship in 2010, the ICTSF World English Sporting in 2015 and many FITASC African Sporting Championships.

This experience, combined with exceptional management and a very-well organized event, ensured hugely positive and rewarding feedback from international associations. Congratulations to all participants and a big thank you to all who contributed to the success!

Our 40th Chairmans Cup

I have no doubt that the Limpopo CTSA Committee, which forms **part of the CTSASA management as a Permanent Member of the CTSASA**, together with **Shooters Gun Club**, will host a fantastic 40th Chairman's Cup! A huge amount of superb work is being carried out behind the scenes led by Faan and Amelda Greyling, the CTSASA Executive Officer and the Limpopo CTSA Chairman, DW Schoeman.

For 40 years, CTSASA members have worked hard to qualify for the most prestigious domestic Clay Target Shooting event on the calendar. It is an honour to participate and to represent your province and to receive your official Provincial Colours. The joy of being part of this magnificent inter-provincial championship cannot be overstated!

We are all looking forward to this prestigious event, the CTSASA's 40th Chairman's Cup and to Shooters Gun Club's hospitality.

Congratulations to all our Provincial Team Members

Many congratulations to all the new and old Provincial Team caps! It is also very important to recognize all the Team Mangers who dedicate themselves for the weekend to their teams. I wish you all the best of shooting and may the best team win!

Thank you to our sponsors

I would also like to say a big thank you to all the sponsors and to all our annual sponsors. Your dedicated commitment to the CTSASA is very much appreciated. With the sponsorship that we receive, **we invest directly into Clay Target Shooting by sponsoring CTSASA shooters, clubs and key championships.**

To the CTSASA Executive Committee and Sarah, our Executive Officer, thank you for all the hard work and support for the past year. Our commitment to Clay Target Shooting and the CTSASA never ends.

I'm looking forward to seeing all our friends at the CTSASA's 40th Chairmans Cup!

I wish you and your family all the best and a very happy new year with an abundance of success and happiness. I hope that you and your family enjoy the holiday and have a wonderful New Year's celebration. May the coming year be filled with happiness and success.

2024 : The CTSASA's 70th Anniversary!

In 2024, the CTSASA will celebrate its 70th Anniversary! **Established in 1954, the CTSASA has been the governing body for Clay Target Shooting for 70 years and we intend to celebrate with you in the New Year!**

Have a great festive season, travel safe and we shall see you on the ranges in 2024 for the CTSASA's 70th Anniversary!

Best regards

Orazio Cremona
CTSASA President

The
Clay Target Shooting
Association
of South Africa

We care deeply about 3 things. Performance. Performance. Performance.

South Africa's first fund to deliver more than 100x your initial investment.*

Peregrine Capital Proprietary Limited ("Peregrine Capital") is an authorised financial services provider and is the investment manager of the Peregrine Capital High Growth H4 QI Hedge Fund ("High Growth Fund"). H4 Collective Investments (RF) Proprietary Limited, is an approved manager of collective investment schemes in terms of the Collective Investment Schemes Control Act, 2002.

Net asset value figures (NAV to NAV) have been used for the performance calculations, as calculated by the manager at the valuation point defined in the deed, over all reporting periods. The performance is calculated for the portfolio. Individual investor performance may differ, as a result of initial fees, the actual investment date, the date of reinvestment and dividend withholding tax. Performance is based on a lump sum contribution and is shown net of all fund charges and expenses, and includes the reinvestment of distributions. Actual annual figures are available to the investor, on request at info@h4ci.co.za. Investment performance calculations are available for verification upon request by any person. A schedule of fees, charges and maximum commission is also available on request from the manager. The rate of return is calculated on a total return basis, and the following elements may involve a reduction of the investor's capital: interest rates, economic outlook, inflation, deflation, economic and political shocks or changes in economic policy. Annualisation is the conversion of a rate of any length of time into a rate that is reflected on an annual basis. Past performance is not indicative of future performance. This is a medium to high risk investment. The manager has a right to close the portfolio to new investors in order to manage it more efficiently in accordance with its mandate.

Fund Name	Inception date	Highest annual return	Lowest annual return	Latest 10 years	Since Inception
High Growth Fund	Feb-00	53.01% (2004)	-11.98% (2008)	14.26%	11.98%
FTSE/JSE Capped Swix All Share Index	Feb-00	47.25% (2005)	-23.23% (2008)	6.55%	6.44%
ASISA South Africa MA High Equity	Feb-00	27.49% (2004)	-8.24% (2008)	6.87%	10.25%

The 'JSE Capped Swix All Share Index' referenced is the index from December 2016 to date, before that the JSE All Share TR Index is used.

A Limpopo Bushveld Welcome

40th CTSASA *Chairman's Cup*

It feels like yesterday, but another year has flown past seemingly at incredible speed. We were all planning for the World DTL at Valley, and here we are, eight months later, **celebrating the CTSASA's 40th Chairmans' Cup!** On behalf of the Limpopo CTSA and – without boasting – the best club in the country, Shooters Gun Club, it is my honour to welcome our CTSASA President, Executive Officer, and all the team members and spectators to the **CTSASA's 40th Chairmans' Cup**. Looking at everyone it does feel like one big family getting together again to celebrate our love of this sport.

We honour and salute you all

I would like to extend my congratulations to everybody who made their respective provincial teams, as well as those who excelled this year in representing this great country on the international stage. You have made us and your province proud, and we salute each one. Now we can compete as teams for the honour of the Chairman's Cup and looking at the quality of all participants, it would be truly "may the best team win", for it is going to be a hard-fought battle over the next two days!

The best Limpopo Bushveld hospitality!

This event would also not be possible without the hard work and tireless dedication of our members, staff, trappers, umpires, caterers, and so many others behind the scenes making this event possible. We could not have done it without you. We would also like to thank all our sponsors, you all contributed to make this a truly special event. Those who have been to Shooters in the past, you will know, and for those who attend for the first time, this weekend you will experience the best Limpopo bushveld hospitality and we know you will be back!

DW Schoeman

Chairman : Limpopo CTSA

Shooter's Gun Club : A Warm Welcome

40th CTSASA *Chairman's Cup*

On behalf of the Executive Committee of Shooter's Gun Club and Limpopo Province, it is my privilege to welcome you all to the **CTSASA's 40th Annual Chairman's Cup!** We are thrilled to have you join us for the most prestigious CTSASA event of the year to celebrate the culmination of all the hard work and sacrifice throughout the year.

This year's tournament promises to be a thrilling experience for all involved, with a range of talented teams competing for the coveted trophy.

We would like to extend our gratitude to all the participants, sponsors, and volunteers who have made this event possible. Your support and dedication are truly appreciated. **A special word of thanks to the CTSASA** for the tremendous support they have shown our province to host this event.

The Chairman's Cup is more than just a sporting event; it is an opportunity to come together as a community and celebrate our shared passion for sportsmanship, teamwork and fair play. **We hope that you will enjoy the camaraderie and spirit** of this tournament and make new friends along the way.

The opening song from the 1992 Olympics, *Amigos Para Siempre*, by Freddy Mercury and Montserrat Caballé, translates as Friends For Life. This is our message and wish to every competitor. **Compete fiercely but leave Shooter's Gun Club and Limpopo Province having gained Friends For Life.** After all, it is just a game.

We wish all the teams the best of luck and look forward to an exciting competition. Let's make this year's CTSASA Chairman's Cup one to remember!

Sincerely,
Amelda Greyling : Shooter's Gun Club

Competition Regulations

1. Shooting will start promptly at the specified time. The first squad must be on the ranges and **ready to shoot** 15 minutes before the allotted time. Succeeding squads to be on the range 10 minutes before preceding squads have completed their round. **Any shooter absent when his/her squad is due to shoot will forfeit the complete round of targets.** An appeal to the appropriate jury may be made to consider the reason for the absence. An appeal fee of R250 must be paid with the appeal and the appeal must be in writing.
2. **Scoring** : If you are required to score, the following are applicable rules:
Trench : two shooters from the previous squad to score for the next. Visible scoreboard on Trench to be used.
Trap & Skeet : one shooter from previous squad to score for the next.
Sporting : The umpire may score the round or may nominate a person from within the squad to score.

After you have completed your round and it is your turn to score, you are not permitted to leave the range. A penalty loss of one target will apply if you leave the range for any reason before you have completed your scoring duty or if you fail to score when it is your turn to do so.

All shooters must sign for their scores before leaving the range.

All shooters in all disciplines must check their score before leaving the range and at appropriate times during the round. Any dispute regarding scores cannot be reported to the jury unless a protest is made according to the discipline rules and before leaving the range.

3. Umpires will be provided where possible on all ranges. **Competitors will be required to score** and will score in rotation in squad position order. In Universal Trench, shooters 1 and 3, then 2 and 4, then 3 and 6 to score. In the Sporting discipline the umpire may nominate his scorers from within the squad. **Refusing to score is not permitted.** Any shooter refusing to score will be penalized with the loss of 3 targets per refusal.
4. The first Sporting Squads should also report to the ranges 15 minutes before the allotted time. Sporting shooters to proceed immediately to the next range as per the shooting schedule.

Continued on next page

Competition Regulations

5. The 10 second 'ready' rule in FITASC Universal Trench and the 15 second rule in FITASC Sporting will be strictly applied.
6. **Applicable rules:** CTSASA Bye-Laws, ATA, FITASC, NSSA Skeet. At all times, where there is a CTSASA over-riding bye-law, this will take precedence over the individual discipline rules.
7. **Shooters may not change squads and squads may not alter the squad shooting sequence. Changes can only be made by the Shoot Organiser (Sarah Kalell).**
8. All score pads must be signed by each individual in the squad, the scorers and the umpire. Only justifiable queries to be referred to the Jury via the Shoot Organiser (Sarah Kalell). Pads to be returned to the office by the scorer at the end of the round.
9. Equipment – traps, scramblers etc. must not be tampered with. In the event of a breakdown contact the shoot convenor.
10. **Reloaded/Self-Loaded Ammunition**
Any person shooting reloaded/self-loaded ammunition must be aware that the Jury at any event is entitled to obtain samples of reloaded ammunition for testing.
11. Please assist the organisers by adhering to these rules and so facilitate the smooth running of this event.
12. Where a dispute occurs and the rules are not explicit enough to provide for a clear cut decision, the final decision rests with the individual discipline jury as elected for this event.
13. Dress code : the dress code as per the CTSASA Competition Regulations will apply. Eye and ear protection is mandatory. No open shoes or sandals. No camouflage, no shorts shorter than 5cm above the knee, no ripped or torn clothing - "Smart/Casual" is the standard. All clothing must be tidy and clean.
14. **No cell phones to be used for any purpose whilst shooting a round of clays. No smoking or 'vaping' (e-cigarettes) on the shooting ranges.**

Thank you for your co-operation!

A Brief History of the Chairman's Cup

The Chairman's Cup in its present form is now in its 40th presentation, having commenced in 1984. Prior to this, the event had been held in a different format and had been mostly sponsored by Datsun, followed by Swartklip Products. For most of the recent past, the CTSASA has been sponsoring the event with the exception of the ammunition.

In 1984, an overall High Gun Trophy and trophies for each individual discipline were presented by the late Dr Alec Kalell, Chairman of the CPSA (now CTSASA). The competition was now called "The Chairman's Cup" and its timing at the end of November concludes the shooting calendar of the CTSASA. The Annual Awards Ceremony for all the year's awards is held on the Friday evening prior to the start of the Chairman's Cup. This is a prestigious evening where National Protea Colours, Association Merit Colours and other awards are presented to the winners and high achievers of the year. To view past winners, records and results as well as the current information, please go to: <https://www.ctsasa.co.za/competitions/chairmans-cup-information-results-and-records/>

MANDATORY SHOTGUN SAFETY RULES

- 1 Treat every gun as if it is loaded and with the utmost respect at all times.

- 2 When carrying a gun it should be open and empty at all times. Pump action and semi-automatic guns should be carried with bolts back, chambers and magazines empty, barrels pointing upward, breech forward

- 3 Avoid alcohol and horseplay when in possession of a gun.

- 4 When using a gun you should have on your person only those cartridges which are of the correct gauge and chamber length to match the gun.

- 5 All guns should be:-
(a) "nitro-proofed"
(b) "in proof"
(c) in safe and sound condition to shoot.

- 6 DO NOT point or fire your gun at anything other than a clay target (i.e. do not point or fire your gun at any other inanimate or animate object). Failure to observe this rule will lead to disqualification and expulsion from the ground.

BEHAVIOUR ON FIRING POINT

- 7 Before loading your gun with one or two cartridges, check that the barrels are free from obstruction and that they are pointing up the range.

- 8 Keep the muzzles pointing up the range at all times until you have opened and emptied your gun. Then (and only then) you may turn around and walk off the firing point.

- 9 **GUN MALFUNCTION** - Keep the muzzles pointing up the range until the malfunction is identified and corrected. (If upon firing the gun the cartridge makes an unusual report, then before reloading you should check the barrels are free from obstruction).

- 10 **REMEMBER YOU (AND ONLY YOU) ARE RESPONSIBLE FOR THE SAFE HANDLING OF YOUR GUN AT ALL TIMES. YOU ARE ALSO RESPONSIBLE FOR THE BEHAVIOUR AND SAFETY OF YOUR FAMILY, GUESTS AND ANIMALS WHEN THEY ARE ON THE SHOOTING GROUND.**

Acknowledgement to the CPSA, England

The above represents the main 10 shotgun safety rules. There are more safety rules in the individual discipline rule books. It is your responsibility to learn ALL of the safety rules.

40th Chairman's Cup

25th/26th November 2023 : Shooters Gun Club, Limpopo

In 2024, the Clay Target Shooting Association of South Africa will be celebrating its 70th anniversary!

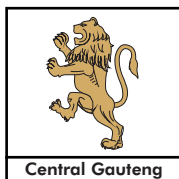

We honour and thank all of our **CTSASA Provincial Members** (the provincial CTSAs), who work together and **who are the management structure of The CTSASA**. Each provincial CTSa has **their own elected representative on the national CTSASA Executive Committee** and who works at national CTSASA level. This is collectively known as "The CTSASA", although in effect, we are an association of members, so collectively everyone in our association is "The CTSASA".

We thank all our members, clubs and provinces for their continued commitment to the beautiful sport of Clay Target Shooting and to this, the CTSASA's 40th Chairman's Cup.

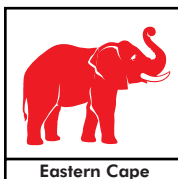

We wish all our CTSASA Provincial Teams a magnificent 40th CTSASA Chairman's Cup!

The CTSASA :

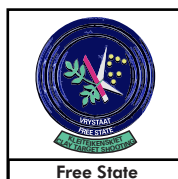

*(consists of individual CTSASA members of CTSASA clubs,
which are members of our Provincial CTSAs - we are ALL the CTSASA!)*
